

Intern - Web Development

About Us

The Sparks Foundation (TSF) is a non-profit organization registered in India and Singapore. We envision a world of enabled and connected little minds, building the future. We aim to inspire students, help them innovate and let them integrate to build the next generation of humankind. We help the students to integrate and help each other, learn from each other, and do well together. Know more about us on: <https://www.thesparksfoundationsingapore.org/>

The Graduate Rotational Internship Program (GRIP) is the flagship program of TSF in which students, recent graduates and professionals focus on technical skills development as well as professional profile improvement on LinkedIn. The program offers a platform to connect with students and professionals from varied diversity, background, skills and countries. During Covid-19 pandemic, the format of GRIP is 1-month, unpaid and virtual internship. It is open for students and professionals from all expertise levels and backgrounds. The tasks are of beginner as well as advanced levels, and you can select which one you want to work on.
